PROFESSIONAL EXPERIENCE

The Scalars (Expian Technologies Pvt. Ltd.) | Senior HRBP (Chief Happiness Officer) Oct 2024 – Present

IMPACT HIGHLIGHTS

- Maintained close engagement with engineers, achieving a sustained **95% overall happiness score**.
- Led **38+ engagement initiatives** (including Women's Day & Newsletter), driving high participation & cross-functional recognition.
- Designed and delivered HR capability programs earning an average feedback score of **4.8 / 5.0**.
- Successfully led global team workations and partner visits, earning multiple **Above & Beyond shoutouts** for business impact.

- Act as a strategic HR advisor for business leaders and global stakeholders across the US, UK, Europe and APAC regions, ensuring alignment on workforce priorities, performance expectations, engagement, and organizational culture across distributed teams.
- Partner closely with leadership teams to execute HR strategies supporting business growth, workforce productivity, employee engagement, and operational effectiveness.
- Drive employee engagement and employee experience initiatives through structured onboarding programs, 15/30/60-day connects, manager connect frameworks, pulse surveys, grievance resolution, leadership connects, rewards & recognition initiatives, and wellbeing programs.
- Lead end-to-end performance management cycles including goal-setting, OKR alignment, performance reviews, feedback discussions, grievance handling, and performance improvement conversations to strengthen accountability and team effectiveness.
- Collaborate with hiring managers and Talent Acquisition teams to support workforce planning, talent acquisition strategies, final HR discussions, onboarding, and talent retention initiatives.
- Support talent management and succession planning initiatives by identifying high-potential employees, enabling manager capability building, and facilitating learning and development interventions aligned with business needs.
- Oversee payroll coordination, HR operations, employee lifecycle management, and compliance processes to ensure adherence to labor regulations, policy governance, operational accuracy, and risk mitigation.
- Drive HR transformation initiatives by developing HR policies, SOPs, process automation frameworks, manager effectiveness workshops, communication strategies, and employee-centric people processes to improve operational efficiency and organizational alignment.
- Develop benchmarking reports, HR dashboards, and stakeholder insights to support data-driven decision-making, workforce planning, and continuous improvement initiatives.
- Partner cross-functionally with managers, business leaders, and HR teams to support organizational change management, restructuring initiatives, and culture transformation programs in dynamic business environments.

boodmo.com (Smart Parts Online Pvt. Ltd.) | Assistant Manager - HR Dec 2021 – Jun 2024

IMPACT HIGHLIGHTS

- Boosted Employee Net Promoter Score (**eNPS**) from **35 to 82** via impactful Recognition & Rewards and engagement initiatives.
- Built a skilled workforce through training leaders and HIPOs, with an exceptional average **95.66% effectiveness score**.
- Achieved a **98% improvement in Quality of Hire**, while maintaining an outstanding average of **100% in Onboarding feedback**.
- Successfully implemented bi-annual **180-degree performance reviews** with calibrated results on the 9-box model.
- Conducted efficient skill-gap analysis to drive actionable interventions for talent re-skilling, upskilling, and cross-skilling.

- Standardized the hiring process across the organization. Proactively aided department heads in strategic workforce planning, ensuring recruitment of the right talent while monitoring key metrics such as time to offer, time to fill, cost of hire, yield ratio and quality of hire. Conducted compensation benchmarking to ensure equitable pay practices.
- Conducted Training needs analysis & aligned training programs accordingly. Partnered with managers on HR initiatives in designing, driving, and implementing all talent management initiatives, including competency framework development, succession planning, and IDPs.
- Collaborated with senior managers on performance management initiatives, meticulously monitoring employee performance, including those on PIPs.
- Addressed attitudinal, behavioral, disciplinary, and ethical issues, providing counseling to employees so as to align with the company's code of conduct.
- Conducted thorough talent assessments to identify HIPOs. Assisted in the design and implementation of the Group's leadership development program.

- Documented skip/focus group discussions and employee feedback, providing periodic analysis and recommendations to the business. Regularly meeting with employees to address and resolve questions, concerns and escalations.
- Implemented OD initiatives to drive people strategy, including OKR cascading, while coaching leaders and first-line managers on culture, performance discussions, and team development to meet critical deadlines and KPIs.
- Collaborated with teams to develop and implement HR policies and Standard Operating Procedures (SOPs) that align with business goals, culture, and organizational philosophy. Conducted holistic onboarding programs, including 15/45/90-day reviews, induction, training on company values, and sensitization on critical issues like POSH and anti-bribery & corruption.
- Proactively tracking critical metrics like attrition, eNPS, pulse surveys, stay/exit interviews etc. to assess employee sentiment aiming to recommend strategies & improve HR processes. Employed visualized dashboards to ensure real-time monitoring & streamlined reporting.
- Built strong, trusting relationships across various teams, effectively navigating a complex work environment to cultivate an empowering work atmosphere, elevate morale, mitigate turnover, and champion wellness and health initiatives. Skillfully managing stakeholder engagements to ensure seamless alignment with organizational objectives.

OSIM INDIA (Paramount Surgimed Ltd.) | Assistant Manager / Executive - HR

Apr 2019 – Nov 2021

IMPACT HIGHLIGHTS

- ✦ Expeditious response to talent needs enabled successful company expansion & foray into a new venture during COVID-19.
- ✦ Drove incremental boost in the sales team's confidence, contributing to a **118% improvement in customer NPS**.

- Autonomously oversaw the entire employee lifecycle for 400+ employees across manufacturing, healthcare, and retail, handling all HR functions including recruitment, training & development, attendance & leave management, compensation, employee engagement, grievance management, performance management, statutory compliance, and full & final settlements.
- Developed and implemented tailored training modules, encompassing grooming standards, code of conduct, soft skills etc. Orchestrated and oversaw on-the-job training programs to further cultivate capabilities of the incoming salesforce for field, export and retail sales teams.
- Acted as a counselor during COVID, providing emotional and professional support to employees. Implemented recognition & rewards (R&R) initiatives to boost morale, productivity, and development.
